A collection of survival gear laid out on a white background. On the left is a black and camouflage-patterned pouch with a label that reads "MULTI-TOOL SHOVEL". Below it is a black strap with a buckle and a pair of black scissors. In the center are several tools: a long, thin metal rod, a small black handle, a yellow whistle tied with a string, a coiled brown rope, and a small black handle. To the right is a large, silver-colored shovel with a black handle and a black blade. The shovel has a logo that says "ACE" and some text at the bottom: "30 functions of safety protection indispensable of outdoor activities and traveling by car".
