

This exploded view diagram illustrates the assembly of a mechanical device, likely a pump or motor. The components are numbered 1 through 56. The diagram is organized into several vertical columns. The leftmost column contains parts 26 through 40, including various seals, gaskets, and a large curved housing. The top section shows a motor unit (1) with a shaft (55) and a coupling (25). Below this, a series of components (13, 14, 15, 16, 17, 18, 19, 20, 21, 22, 23, 24, 27) form a central assembly, possibly a valve or a filter. The bottom section shows a complex linkage mechanism (2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, 16, 17, 18, 19, 20, 21, 22, 23, 24, 25, 26, 27, 28, 29, 30, 31, 32, 33, 34, 35, 36, 37, 38, 39, 40, 41, 42, 43, 44, 45, 46, 47, 48, 49, 50, 51, 52, 53, 54, 55, 56) involving a lever (2), a spring (45), and various pins and washers. The diagram uses dashed lines to indicate the assembly path and alignment of the parts.
